Academic Session: 2025 – 2026

CIRCULAR

Dear Parents and Students,

DAV Khagaul extends its warm greetings and sincere gratitude to all our parents, students, well-wishers, and staff members on the successful completion of yet another academic year. It has been our earnest endeavour to provide the best resources for the all-round development of our students.

To support the academic progress of our Class X and XII students, we have been providing topic-wise notes, sample questions, and lesson plans. These resources are also available on the school website (www.davkhagaul.org). We encourage parents to advise their children to regularly visit the website, work through the notes and questions, and have their work evaluated by the respective subject teachers. We continually strive to maintain a strong and interactive communication channel with our esteemed parents, ensuring you are kept informed about all school activities through SMS services and the school website. We kindly request that parents ensure a smooth and effective two-way communication system between your children and the school.

As parental involvement is crucial to a child's success, we urge you to regularly engage with your child's academic progress. Ask them, "Are you satisfied with the marks/grades you have achieved?" If not, encourage them to reflect on where improvements can be made and what additional support, they may need from both home and school.

At DAV Khagaul, we are always ready to extend our fullest support to our students and work together to shape them into responsible citizens of India.
